

Introducing
Mr. Handyman to the UK
 The Management Franchise

Richard Karn
 TV Star and Home Improvement guru

What Makes Mr. Handyman Unique?

- Our Owners are Individuals, husband and wife, mother and daughter, father and son teams and military veterans all with a common desire to succeed both in their professional careers and in their personal lives.
- Lack of Serious Competent Competition in a Massive Market
- Management Franchises create better financial rewards
- Great Potential with Go Green Initiatives
- Best Support and Back-Up in the Franchise World
- Mr. Handyman may very well be one of the best values in franchising. In time your established business will be yours to sell as you get close to retirement.
- You do not have to be Handy to be a Mr. Handyman Business Owner
- You the Owner Run and Drive the Business
- Great Quality of Life
- Every person you talk to is your Customer
- You work local in your Community
- 28% of Mr. Handyman Owners are Women
- Built around your lifestyle
- Seven Years Running
